

This is a gathering for preachers committed to growing and learning how to be more effective in their preaching. Preaching is God's chosen way to spread His word and it is a great responsibility and opportunity that rests before every preacher.

The Preacher's Council is designed to give both young and veteran preachers the tools, resources and training to help strengthen their study, preaching, and delivery.

Participants will be challenged to think about the way in which the church is moving, and the difference between what people *want* to hear, and what they *need* to hear.

Host and plenary speaker Pastor Dexter Edmund will present a session called "*Study the Text-Deliver the Message...Connecting Scholarship & Anointing*"

We are honoured to welcome Co-Pastor Susie Owens as the keynote speaker for the conference. Co-Pastor Owens is one of the countries premier preachers and has travelled extensively both nationally and internationally for over 20 years. In addition to addressing the theme, co-Pastor Owens will also emphasize the triumphs, and challenges of being a female preacher, and why no one should feel inadequate, inferior or incompetent to preach the gospel because of gender or traditional stereo-types.
